*Jeffrey Kightlinger, Metropolitan Water District of Southern California; Supervisor Hilda Solis; Jessica Lall, CCA; Tom Gilmore, Gilmore Associates*

At today's CCA's Executive Committee, members heard from **Supervisor Hilda Solis** who represents LA County District's First District. She spoke about the impacts of homelessness county-wide and effectively spending the money coming from Measure H and Proposition HHH. She talked about working with cities, developers and nonprofits to find ways to create housing and get to solutions that work for all parties. The Supervisor also discussed how she partnered with LA Trade Tech College and LA County Department of Military and Veterans Affairs to offer a 12-week culinary arts training program at Patriotic Hall on Figueroa for veterans as a pipeline program for jobs. She urged CCA members in the restaurant industry to hire individuals coming from this program.

Thank you to the **Metropolitan Water District of Southern California** for hosting this meeting at their office.

## Permanent Supportive Housing and Interim Motel Conversion Ordinances

This week CCA provided letters of support for the [Permanent Supportive Housing Ordinance](#) and [Interim Motel Conversion Ordinance](#). Both of these ordinances are critical to locating housing for homeless individuals throughout the City of Los Angeles. CCA encourages our members to weigh in on these important items by sending individual letters of support. Letters should be directed to City Planning and sent via email to Cally Hardy at [cally.hardy@acity.org](mailto:cally.hardy@acity.org).

## Proposition HHH and Measure H Fall Report

CCA is a member of the Business Leaders Task Force established by **United Way of Greater LA** and the **LA Area Chamber of Commerce**. The task force is committed to being a leader in promoting permanent solutions to ending chronic homelessness and will drive accountability for Proposition HHH and Measure H. A recent [report](#) on Proposition HHH and Measure H found that 416 units of permanent supportive housing have been funded and 100 interim beds have been added. There has also been an expansion of street outreach teams from 4 to 25 across the County of LA.
